

Green Earth Pest Control
3054 Scallop Lane, Indialantic, FL 32903

Fairway Isles H.O.A. Proposal

Green Earth Pest Control agrees to furnish equipment, chemicals and labor complete in accordance with the specifications listed herein for property located at Fairway Isles H.O.A.

Either party may withdraw from this contract within 30 days with written notice. All work is

to be completed in a professional manner according to standard practices. Any alteration or deviation from specifications involving extra costs will be executed only upon written orders

and will become an extra charge over and above the estimate proposed here. This agreement is contingent upon accidents or delays beyond our control.

I. The Scope of Service shall consist of performance of the items listed in Paragraph II below.

II. Services to be performed:

a. Lawn Fertilization, 2 Broadleaf Weed Control, 3 Surface Feeding Insect Control

Lawns will be treated six (6) times per year, 2 liquid and 4 granular.

b. Tree and Shrub Fertilization, Disease and Insect Control:

Trees and Shrubs will be treated two (2) times per year.

TOTAL: \$21,949.20 per year \$3658.20 per app.

Payment is due by the end of each month in which the service is performed. Costs associated with the collection of unpaid balances will be the responsibility of the customer. This proposal is for said property only. If for some reason Green Earth Pest Control should fall below industry standards in performance of items listed above, management of said property should notify Green Earth Pest Control in writing of each deficiency. Green Earth Pest Control shall have (15) days to respond to and correct the deficiency.

This proposal shall be in effect for a period of one full year: from

12/1/21 to 11/30/22

The above price and conditions are satisfactory and are hereby accepted. When signed by both parties this proposal becomes a contract for the services specified above.
